PROVISIONS FOR DEFINING, LIMITING AND REGULATING CERTAIN POWERS OF THE CORPORATION AND OF THE STOCKHOLDERS AND DIRECTORS

Section 4.1. Number of Directors. The business and affairs of the Corporation shall be managed under the direction of the Board of Directors. The number of directors of the Corporation is currently five (5), which number may be increased or decreased only by the Board of Directors pursuant to the Bylaws of the Corporation (the "Bylaws"), but shall never be less than the minimum number required by the Maryland General Corporation Law (the "MGCL"). The names of the directors who shall serve until the next annual meeting of stockholders and until their successors are duly elected and qualify are:

Moishe Gubin

Essel Bailey

Michael Blisko

Jack Levine

Reid Shapiro

The Corporation elects, effective at such time as it becomes eligible under Section 3-802 of the MGCL to make the election provided for under Section 3-804(c) of the MGCL, that, except as may be provided by the Board of Directors in setting the terms of any class or series of stock, any and all vacancies on the Board of Directors resulting from an increase in the number of directors, or the resignation, death or removal of a director may be filled only by the affirmative vote of a majority of the directors remaining in office, even if the remaining directors do not constitute a quorum, and any director elected to fill a vacancy shall serve for the remainder of the full term of the directorship in which such vacancy occurred and until a successor is elected and qualifies.

Section 4.2. Extraordinary Actions. Except as specifically provided in Section 4.8 (relating to removal of directors) and in Article VII (relating to amendments to the Charter), notwithstanding any provision of law requiring any action to be taken or approved by the affirmative vote of stockholders entitled to cast a greater number of votes, any such action shall be effective and valid if declared advisable by the Board of Directors and taken or approved by the affirmative vote of stockholders entitled to cast a majority of all the votes entitled to be cast on the matter.

Section 4.3. Authorization by Board of Directors of Stock Issuance. The Board of Directors may authorize the issuance from time to time of shares of stock of the Corporation of any class or series, whether now or hereafter authorized, or securities or rights convertible into shares of its stock of any class or series, whether now or hereafter authorized, for such consideration as the Board of Directors may deem advisable (or without consideration in the case of a stock split or stock dividend), subject to such restrictions or limitations, if any, as may be set forth in the Charter or the Bylaws.

Section 4.4. Preemptive and Appraisal Rights. Except as may be provided by the Board of Directors in setting the terms of classified or reclassified shares of stock pursuant to Section 5.4 or as may otherwise be provided by a contract approved by the Board of Directors, no holder of shares of stock of the Corporation shall, as such holder, have any preemptive right to purchase or subscribe for any additional shares of stock of the Corporation or any other security of the Corporation which it may issue or sell. Holders of shares of stock shall not be entitled to exercise any rights of an objecting stockholder provided for under Title 3, Subtitle 2 of the MGCL or any successor statute unless the Board of Directors upon such terms and conditions as may be specified by the Board of Directors, determines that such rights apply, with respect to all or any shares of all or any classes or series of stock, to one or more transactions occurring after the date of such determination in connection with which holders of such shares would otherwise be entitled to exercise such rights.

Section 4.5. Indemnification and Advance of Expenses. To the maximum extent permitted by Maryland law in effect from time to time, the Corporation shall indemnify and, without requiring a preliminary determination of the ultimate entitlement to indemnification, shall pay or reimburse reasonable expenses in advance of final disposition of a proceeding to (a) any individual who is a present or former director or officer of the Corporation and who is made or threatened to be made a party to, or witness in, the proceeding by reason of his or her service in that capacity and (b) any individual who, while a director or officer of the Corporation and at the request of the Corporation, serves or has served as a director, officer, partner, member, manager, trustee, employee or agent of another corporation, real estate investment trust, partnership, limited liability company, joint venture, trust, employee benefit plan or other enterprise and who is made or threatened to be made a party to, or witness in, the proceeding by reason of his or her service in that capacity, in either case, from and against any claim or liability to which such person may become subject or which such person may incur by reason of his or her service in such capacity. The rights to indemnification and advance of expenses provided by the Charter shall vest immediately upon election of a director or officer. The Corporation may, with the approval of its Board of Directors, provide such indemnification and advance of expenses to an individual who served a predecessor of the Corporation in any of the capacities described in (a) or (b) above and to any employee or agent of the Corporation or a predecessor of the Corporation. The indemnification and payment or reimbursement of expenses provided in the Charter shall not be deemed exclusive of or limit in any way other rights to which any person seeking indemnification or payment or reimbursement of expenses may be or may become entitled under any bylaw, resolution, insurance, agreement or otherwise.

Neither the amendment nor repeal of this Section, nor the adoption or amendment of any other provision of the Charter or the Bylaws inconsistent with this Section, shall apply to or affect in any respect the applicability of the preceding paragraph with respect to any act or failure to act which occurred prior to such amendment, repeal or adoption.

Section 4.6. Determinations by Board of Directors. The determination as to any of the following matters, made by or pursuant to the direction of the Board of Directors, shall be final and conclusive and shall be binding upon the Corporation and every holder of shares of its stock: the amount of the net income of the Corporation for any period and the amount of assets at any time legally available for the payment of dividends, acquisition of its stock or the payment of other distributions on its stock; the amount of paid-in surplus, net assets, other surplus, annual or other cash flow, funds from operations, adjusted funds from operations, net profit, net assets in excess of capital, undivided profits or excess of profits over losses on sales of assets; the amount, purpose, time of creation, increase or decrease, alteration or cancellation of any reserves or charges and the propriety thereof (whether or not any obligation or liability for which such reserves or charges shall have been created shall have been set aside, paid or discharged); any interpretation or resolution of any ambiguity with respect to any provision of the Charter (including any of the terms, preferences, conversion or other rights, voting powers or rights, restrictions, limitations as to dividends or other distributions, qualifications or terms or conditions of redemption of any shares of any class or series of stock of the Corporation) or of the Bylaws; the number of authorized or outstanding shares of stock of any class or series of the Corporation; the value, fair value, or any sale, bid or asked price to be applied in determining the value, or fair value, of any asset owned or held by the Corporation or of any shares of stock of the Corporation; any matter relating to the acquisition, holding and disposition of any assets by the Corporation; any interpretation of the terms and conditions of one or more agreements with any person, corporation, association,

company, trust, partnership (limited or general) or other entity; the compensation of directors, officers, employees or agents of the Corporation; or any other matter relating to the business and affairs of the Corporation or required or permitted by applicable law, the Charter or Bylaws or otherwise to be determined by the Board of Directors.

Section 4.7. REIT Qualification. If the Corporation elects to qualify for federal income tax treatment as a REIT, the Board of Directors shall use its reasonable best efforts to take such actions as are necessary or appropriate to preserve the status of the Corporation as a REIT; however, if the Board of Directors determines that it is no longer in the best interests of the Corporation to attempt to, or continue to, qualify as a REIT, the Board of Directors may revoke or otherwise terminate the Corporation's REIT election pursuant to Section 856(g) of the Code. The Board of Directors, in its sole and absolute discretion, also may (a) determine that compliance with any restriction or limitation on stock ownership and transfers set forth in Article VI is no longer required for REIT qualification and (b) make any other determination or take any other action pursuant to Article VI.

Section 4.8. Removal of Directors. Subject to the rights of holders of shares of one or more classes or series of Preferred Stock (as defined below) to elect or remove one or more directors, any director, or the entire Board of Directors, may be removed from office at any time, but only for cause and then only by the affirmative vote of at least two-thirds of the votes entitled to be cast generally in the election of directors. For the purpose of this paragraph, "cause" shall mean, with respect to any particular director, conviction of a felony or a final judgment of a court of competent jurisdiction holding that such director caused demonstrable, material harm to the Corporation through bad faith or active and deliberate dishonesty.

Section 4.9. Corporate Opportunities. The Corporation shall have the power, by resolution of the Board of Directors, to renounce any interest or expectancy of the Corporation in, or in being offered an opportunity to participate in, business opportunities or classes or categories of business opportunities that are presented to the Corporation or developed by or presented to one or more directors or officers of the Corporation.

ARTICLE V

STOCK

Section 5.1. Authorized Shares. The Corporation has authority to issue 600,000,000 shares of stock, consisting of 500,000,000 shares of Common Stock, \$0.0001 par value per share ("Common Stock"), and 100,000,000 shares of Preferred Stock, \$0.0001 par value per share ("Preferred Stock"). The aggregate par value of all authorized shares of stock having par value is \$60,000. If shares of one class or series of stock are classified or reclassified into shares of another class or series of stock pursuant to Section 5.2, 5.3 or 5.4 of this Article V, the number of authorized shares of the former class or series shall be automatically decreased and the number of shares of the latter class or series shall be automatically increased, in each case by the number of shares so classified or reclassified, so that the aggregate number of shares of stock of all classes and series that the Corporation has authority to issue shall not be more than the total number of shares of stock set forth in the first sentence of this paragraph. The Board of Directors, with the approval of a majority of the entire Board of Directors and without any action by the stockholders of the Corporation, may amend the Charter from time to time to increase or decrease the aggregate number of shares of stock or the number of shares of stock of any class or series that the Corporation has authority to issue.

Section 5.2. Common Stock. Subject to the provisions of Article VI and except as may otherwise be specified in the Charter, each share of Common Stock shall entitle the holder thereof to one vote for each share held of record by such holder on all matters submitted to a vote of stockholders. Except as otherwise provided in the Charter, the Board of Directors may reclassify any unissued shares of Common Stock from time to time into one or more classes or series of stock. In the event of any voluntary or involuntary liquidation, dissolution or winding up of, or any distribution of the assets of, the Corporation, each holder of shares of Common Stock shall be entitled (after payment or provision for payment of the debts and other liabilities of the Corporation and subject to the rights of the holders of shares of any class of stock hereafter classified or reclassified having a preference over the Common Stock as to distributions in the liquidation, dissolution or winding up of the Corporation) to share ratably in the remaining net assets of the Corporation, together with the holders of shares of any other class of stock now existing or hereafter classified or reclassified not having a preference over Common Stock as to distributions in the liquidation, dissolution or winding up of the Corporation. The holders of shares of Common Stock shall be entitled to receive dividends and other distributions when and as authorized by the Board of Directors and declared by the Corporation out of cash or other assets legally available therefor. Except as expressly provided in this Article V, shares of Common Stock shall have the same rights and privileges and rank equally, share ratably in dividends and other distributions and be identical in all respects as to all matters.

Section 5.3. Preferred Stock. Subject to Section 5.1, the Board of Directors may classify any unissued shares of Preferred Stock and reclassify any previously classified but unissued shares of Preferred Stock of any class or series from time to time, into one or more classes or series of stock.

Section 5.4. Classified or Reclassified Shares. Prior to the issuance of classified or reclassified shares of any class or series of stock, the Board of Directors by resolution shall: (a) designate that class or series to distinguish it from all other classes and series of stock of the Corporation; (b) specify the number of shares to be included in the class or series; (c) set or change, subject to the provisions of Article VI and subject to the express terms of any class or series of stock of the Corporation outstanding at the time, the preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends or other distributions, qualifications and terms and conditions of redemption for each class or series; and (d) cause the Corporation to file articles supplementary with the State Department of Assessments and Taxation of Maryland (the "SDAT"). Any of the terms of any class or series of stock set or changed pursuant to clause (c) of this Section 5.4 may be made dependent upon facts or events ascertainable outside the Charter (including determinations by the Board of Directors or other facts or events within the control of the Corporation) and may vary among holders thereof, provided that the manner in which such facts, events or variations shall operate upon the terms of such class or series of stock is clearly and expressly set forth in the articles supplementary or other charter document.

Section 5.5. Action by Stockholders in Lieu of Meeting. Any action required or permitted to be taken at any meeting of the stockholders may be taken without a meeting by consent, in writing or by electronic transmission, in any manner and by any vote permitted by the MGCL and set forth in the Bylaws, including that if the action is advised, and submitted to the stockholders for approval, by the Board of Directors and a consent in writing or by electronic transmission of stockholders entitled to cast not less than the minimum number of votes that would be necessary to authorize or take the action at a meeting of stockholders is delivered to the Corporation in accordance with the MGCL and the Corporation gives notice of the action not later than ten (10)

days after the effective date of the action to each holder of the class or series of common stock and to each stockholder who, if the action had been taken at a meeting, would have been entitled to vote.

Section 5.6. Charter and Bylaws. The rights of all stockholders and the terms of all stock of the Corporation are subject to the provisions of the Charter and the Bylaws.

Section 5.7. Distributions. Except as may otherwise be provided in the terms of any class or series of Preferred Stock, in determining whether a distribution (other than upon liquidation, dissolution or winding up) is permitted under Maryland law, amounts that would be needed, if the Corporation were to be dissolved at the time of the distribution, to satisfy the preferential rights upon dissolution of stockholders whose preferential rights upon dissolution are superior to those receiving the distribution, shall not be added to the Corporation's total liabilities.

Section 6.2. Capital Stock.

Section 6.2.1. **Ownership Limitations.** During the period commencing on the Initial Date and prior to the Restriction Termination Date, but subject to Section 6.4:

(a) **Basic Restrictions.**

(i) (1) No Person shall Beneficially Own or Constructively Own shares of Common Stock in excess of the Common Stock Ownership Limit, and (2) no Person shall Beneficially Own or Constructively Own shares of Preferred Stock in excess of the Preferred Stock Ownership Limit.

(ii) No Person shall Beneficially Own or Constructively Own shares of Capital Stock to the extent that such Beneficial Ownership or Constructive Ownership of Capital Stock would result in the Corporation being “closely held” within the meaning of Section 856(h) of the Code (without regard to whether the ownership interest is held during the last half of a taxable year), or otherwise failing to qualify as a REIT.

(iii) Beginning January 1, 2022, any Transfer of shares of Capital Stock that, if effective, would result in the Capital Stock being beneficially owned by less than 100

Persons (determined under the principles of Section 856(a)(5) of the Code) shall be void ab initio, and the intended transferee shall acquire no rights in such shares of Capital Stock.

(iv) No Person shall Beneficially Own or Constructively Own shares of Capital Stock to the extent such Beneficial Ownership or Constructive Ownership would cause the Corporation to Constructively Own 9.9% or more of the ownership interests in a tenant (other than a TRS) that leases the Corporation's real property within the meaning of Section 856(d)(2)(B) of the Code.

(v) No Person shall Beneficially Own or Constructively Own shares of Capital Stock to the extent that such Beneficial or Constructive Ownership would otherwise cause the Corporation to fail to qualify as a REIT under the Code, including, but not limited to, as a result of any "eligible independent contractor" (as defined in Section 856(d)(9)(A) of the Code) that operates a "qualified health care property" (as defined in Section 856(e)(6)(D)(i) of the Code) on behalf of a TRS failing to qualify as such under the Code.

(vi) Notwithstanding any other provision of this Charter to the contrary, any purported acquisition of Capital Stock of the Corporation that would result in the disqualification of the Corporation as a REIT shall be null and void.

(vii) In applying the provisions of this Section 6.2, the Board of Directors may take into account the lack of certainty in the REIT provisions of the Code relating to the ownership of stock that may prevent a corporation from qualifying as a REIT and may make interpretations concerning the Common Stock Ownership Limit and Preferred Stock Ownership Limit and attributed ownership and related matters on as conservative basis as the Board of Directors deems advisable to minimize or eliminate uncertainty as to the Corporation's qualification or continued qualification as a REIT.

(viii) Nothing contained in this Section 6.2 or in any other provision of this Charter shall limit the authority of the Board of Directors to take such other action as it deems necessary or advisable to protect the Corporation and the interests of the stockholders by preservation of the Corporation's qualification as a REIT under the REIT Provisions.

(b) **Transfer in Trust.** If any Transfer of shares of Capital Stock occurs which, if effective, would result in any Person Beneficially Owning or Constructively Owning shares of Capital Stock in violation of Section 6.2.1(a)(i), (ii), (iv) or (v),

(i) then that number of shares of the Capital Stock the Beneficial Ownership or Constructive Ownership of which otherwise would cause such Person to violate Section 6.2.1(a)(i), (ii), (iv) or (v) (rounded up to the nearest whole share) shall be automatically transferred to a Trust for the benefit of one or more Charitable Beneficiaries, as described in Section 6.3, effective as of the close of business on the Business Day prior to the date of such Transfer, and such Person shall acquire no rights in such shares; or

(ii) if the transfer to the Trust described in clause (i) of this sentence would not be effective for any reason to prevent the violation of Section 6.2.1(a)(i), (ii), (iv) or (v), then the Transfer of that number of shares of Capital Stock that otherwise would cause any Person to violate Section 6.2.1(a)(i), (ii), (iv) or (v) shall be void ab initio, and the intended transferee shall acquire no rights in such shares of Capital Stock.

(iii) To the extent that, upon a transfer of shares of Capital Stock pursuant to this Section 6.2.1(b), a violation of any provision of this Article VI would nonetheless be continuing (for example where the ownership of shares of Capital Stock by a single Trust would violate the 100 stockholder requirement applicable to REITs), then shares of Capital Stock shall be transferred to that number of Trusts, each having a distinct Trustee and a Charitable Beneficiary or Charitable Beneficiaries that are distinct from those of each other Trust, such that there is no violation of any provision of this Article VI.

Section 6.2.2. Remedies for Breach. If the Board of Directors shall at any time determine that a Transfer or other event has taken place that results in a violation of Section 6.2.1 or that a Person intends to acquire or has attempted to acquire Beneficial Ownership or Constructive Ownership of any shares of Capital Stock in violation of Section 6.2.1 (whether or not such violation is intended), the Board of Directors shall take such action as it deems advisable to refuse to give effect to or to prevent such Transfer or other event, including, without limitation, causing the Corporation to redeem shares, refusing to give effect to such Transfer on the books of the Corporation or instituting proceedings to enjoin such Transfer or other event; provided, however, that any Transfer or attempted Transfer or other event in violation of Section 6.2.1 shall automatically result in the transfer to the Trust described above, and, where applicable, such Transfer (or other event) shall be void ab initio as provided above irrespective of any action (or non-action) by the Board of Directors.

Section 6.2.3. Notice of Restricted Transfer. Any Person who acquires or attempts or intends to acquire Beneficial Ownership or Constructive Ownership of shares of Capital Stock that will or may violate Section 6.2.1(a) or any Person who would have owned shares of Capital Stock that resulted in a transfer to the Trust pursuant to the provisions of Section 6.2.1(b) shall immediately give written notice to the Corporation of such event or, in the case of such a proposed or attempted transaction, give at least 15 days prior written notice, and shall provide to the Corporation such other information as the Corporation may request in order to determine the effect, if any, of such Transfer on the Corporation's status as a REIT.

Section 6.2.4. Owners Required To Provide Information. From the Initial Date and prior to the Restriction Termination Date:

(a) every owner of five percent or more (or such lower percentage as required by the Code or the Treasury Regulations promulgated thereunder) of the outstanding shares of Capital Stock, within 30 days after the end of each taxable year, shall give written notice to the Corporation stating the name and address of such owner, the number of shares of Capital Stock Beneficially Owned and a description of the manner in which such shares are held. Each such owner shall provide to the Corporation such additional information as the Corporation may request in order to determine the effect, if any, of such Beneficial Ownership on the Corporation's status as a REIT and to ensure compliance with the Common Stock Ownership Limit and the Preferred Stock Ownership Limit; and

(b) each Person who is a Beneficial Owner or Constructive Owner of Capital Stock and each Person (including the stockholder of record) who is holding Capital Stock for a Beneficial Owner or Constructive Owner shall provide to the Corporation such information as the Corporation may request, in order to determine the Corporation's status as a REIT and to comply with the requirements of any taxing authority or governmental authority or to determine such compliance.

Section 6.2.5. Remedies Not Limited. Subject to Section 4.7 of the Charter, nothing contained in this Section 6.2 shall limit the authority of the Board of Directors to take such other action as it deems necessary or advisable to protect the Corporation in preserving the Corporation's status as a REIT.

Section 6.2.6. Ambiguity. In the case of an ambiguity in the application of any of the provisions of this Section 6.2, Section 6.3 or any definition contained in Section 6.1, the Board of Directors may determine the application of the provisions of this Section 6.2 or Section 6.3 or any such definition with respect to any situation based on the facts known to it. In the event Section 6.2 or Section 6.3 requires an action by the Board of Directors and the Charter fails to provide specific guidance with respect to such action, the Board of Directors may determine the action to be taken so long as such action is not contrary to the provisions of Sections 6.1, 6.2 or 6.3. Absent a decision to the contrary by the Board of Directors, if a Person would have (but for the remedies set forth in Section 6.2.2) acquired Beneficial Ownership or Constructive Ownership of Capital Stock in violation of Section 6.2.1, such remedies (as applicable) shall apply first to the shares of Capital Stock which, but for such remedies, would have been Beneficially Owned or Constructively Owned (but not actually owned) by such Person, pro rata among the Persons who actually own such shares of Capital Stock based upon the relative number of the shares of Capital Stock held by each such Person.

Section 6.2.7. Exceptions.

(a) Subject to Section 6.2.1(a)(ii), (iv) or (v), the Board of Directors, may exempt (prospectively or retroactively) a Person from the Common Stock Ownership Limit and the Preferred Stock Ownership Limit, as the case may be, if:

(i) the Board of Directors obtains such representations and undertakings from such Person as are reasonably necessary for the Board to ascertain that no individual's Beneficial or Constructive Ownership of such shares of Capital Stock will violate Section 6.2.1(a)(ii), (iv) or (v); and

(ii) such Person agrees that any violation or attempted violation of such representations or undertakings (or other action which is contrary to the restrictions contained in Sections 6.2.1 through 6.2.6) will result in such shares of Capital Stock being automatically transferred to a Trust in accordance with Sections 6.2.1(b) and 6.3.

(b) Prior to granting any exception pursuant to Section 6.2.7(a), the Board of Directors may require a ruling from the Internal Revenue Service, or an opinion of counsel, in either case in form and substance satisfactory to the Board of Directors, as it may deem necessary or advisable in order to determine or ensure the Corporation's status as a REIT. Notwithstanding the receipt of any ruling or opinion, the Board of Directors may impose such conditions or restrictions as it deems appropriate in connection with granting such exception.

(c) Subject to Section 6.2.1(a)(ii), (iv) or (v), an underwriter which participates in a public offering, forward sale or a private placement of Capital Stock (or securities convertible into or exchangeable for Capital Stock) may Beneficially Own or Constructively Own shares of Capital Stock (or securities convertible into or exchangeable for Capital Stock) in excess of the Common Stock Ownership Limit, the Preferred Stock Ownership Limit, or both such limits, but only to the extent necessary to facilitate such public offering, forward sale or private placement.

Section 6.2.8. Increase or Decrease in Common Stock Ownership or Preferred Stock Ownership Limits. Subject to Section 6.2.1(a)(ii), (iv) or (v) and this Section 6.2.8, the Board of Directors may from time to time increase or decrease the Common Stock Ownership Limit and the Preferred Stock Ownership Limit for one or more Persons and increase or decrease the Common Stock Ownership Limit and the Preferred Stock Ownership Limit for all other Persons. No decreased Common Stock Ownership Limit or Preferred Stock Ownership Limit will be effective for any Person whose percentage of ownership of Capital Stock is in excess of such decreased Common Stock Ownership Limit or Preferred Stock Ownership Limit, as applicable, until such time as such Person's percentage of ownership of Capital Stock equals or falls below the decreased Common Stock Ownership Limit or Preferred Stock Ownership Limit, as applicable; provided, however, any further acquisition of Capital Stock by any such Person (other than a Person for whom an exemption has been granted pursuant to Section 6.2.7(a)) in excess of the Capital Stock owned by such person on the date the decreased Common Stock Ownership Limit or Preferred Stock Ownership Limit, as applicable, became effective will be in violation of the Common Stock Ownership Limit or Preferred Stock Ownership Limit. No increase to the Common Stock Ownership Limit or Preferred Stock Ownership Limit may be approved if the new Common Stock Ownership Limit and/or Preferred Stock Ownership Limit would allow five or fewer Persons to Beneficially Own, in the aggregate more than 49.9% in value of the outstanding Capital Stock.

Section 6.2.9. Legend. Each certificate for shares of Capital Stock, if certificated, shall bear substantially the following legend:

The shares represented by this certificate are subject to restrictions on Beneficial Ownership and Constructive Ownership and Transfer for the purpose, among others, of the Corporation's maintenance of its status as a REIT under the Internal Revenue Code of 1986, as amended (the "Code"). Subject to certain further restrictions and except as expressly provided in the Corporation's Charter, (i) no Person may Beneficially Own or Constructively Own shares of the Corporation's Common Stock in excess of the Common Stock Ownership Limit; (ii) no Person may Beneficially Own or Constructively Own shares of Preferred Stock of the Corporation in excess of the Preferred Stock Ownership Limit; (iii) no Person may Beneficially Own or Constructively Own Capital Stock that would result in the Corporation being "closely held" under Section 856(h) of the Code or otherwise cause the Corporation to fail to qualify as a REIT; (iv) no Person may Transfer shares of Capital Stock if such Transfer would result in the Capital Stock of the Corporation being owned by fewer than 100 Persons; and (v) No Person shall Beneficially Own or Constructively Own shares of Capital Stock to the extent such Beneficial Ownership or Constructive Ownership would cause the Corporation to Constructively Own 9.9% or more of the ownership interests in a tenant (other than a TRS) of the Corporation's real property within the meaning of Section 856(d)(2)(B) of the Code. Any Person who Beneficially Owns or Constructively Owns or attempts or intends to Beneficially Own or Constructively Own shares of Capital Stock which cause or will cause a Person to Beneficially Own or Constructively Own shares of Capital Stock in excess or in violation of the above limitations must immediately notify the Corporation. If any of the restrictions on Transfer or ownership provided in (i), (ii), (iii) or (v) above are violated, the shares of Capital Stock in excess or in violation of the above limitations will be automatically transferred to a Trustee of a Trust for the benefit of one or more Charitable Beneficiaries. In addition, the Corporation may redeem shares upon the terms and conditions specified by the Board of Directors in its sole and absolute discretion if the Board of Directors determines that ownership or a Transfer or other event may violate the restrictions described above. Furthermore, if the ownership restrictions provided in (iv) above would be violated or upon the

occurrence of certain events, attempted Transfers in violation of the restrictions described above may be void ab initio. All capitalized terms in this legend have the meanings defined in the Charter of the Corporation, as the same may be amended from time to time, a copy of which, including the restrictions on transfer and ownership, will be furnished to each holder of shares of Capital Stock of the Corporation on request and without charge. Requests for such a copy may be directed to the Secretary of the Corporation at its Principal Office.

Instead of the foregoing legend, the certificate or any notice in lieu of a certificate may state that the Corporation will furnish a full statement about certain restrictions on ownership and transfer of the shares to a stockholder on request and without charge.

Section 6.3. Transfer of Capital Stock in Trust.

Section 6.3.1. Ownership in Trust. Upon any purported Transfer or other event described in Section 6.2.1(b) that would result in a transfer of shares of Capital Stock to a Trust, such shares of Capital Stock shall be deemed to have been transferred to the Trustee as trustee of a Trust for the exclusive benefit of one or more Charitable Beneficiaries. Such transfer to the Trustee shall be deemed to be effective as of the close of business on the Business Day prior to the purported Transfer or other event that results in the transfer to the Trust pursuant to Section 6.2.1(b). The Trustee shall be appointed by the Corporation and shall be a Person unaffiliated with the Corporation and any Prohibited Owner. Each Charitable Beneficiary shall be designated by the Corporation as provided in Section 6.3.6.

Section 6.3.2. Status of Shares Held by the Trustee. Shares of Capital Stock held by the Trustee shall be issued and outstanding shares of Capital Stock of the Corporation. The Prohibited Owner shall have no rights in the shares held by the Trustee. The Prohibited Owner shall not benefit economically from ownership of any shares held in trust by the Trustee, shall have no rights to dividends or other distributions and shall not possess any rights to vote or other rights attributable to the shares held in the Trust.

Section 6.3.3. Dividend and Voting Rights. The Trustee shall have all voting rights and rights to dividends or other distributions with respect to shares of Capital Stock held in the Trust, which rights shall be exercised for the exclusive benefit of the Charitable Beneficiary. Any dividend or other distribution paid prior to the discovery by the Corporation that the shares of Capital Stock have been transferred to the Trustee shall be paid by the recipient of such dividend or other distribution to the Trustee upon demand and any dividend or other distribution authorized but unpaid shall be paid when due to the Trustee. Any dividend or other distribution so paid to the Trustee shall be held in trust for the Charitable Beneficiary. The Prohibited Owner shall have no voting rights with respect to shares of Capital Stock held in the Trust and, subject to Maryland law, effective as of the date that the shares of Capital Stock have been transferred to the Trust, the Trustee shall have the authority (at the Trustee's sole and absolute discretion) (i) to rescind as void any vote cast by a Prohibited Owner prior to the discovery by the Corporation that the shares of Capital Stock have been transferred to the Trust and (ii) to recast such vote; provided, however, that if the Corporation has already taken irreversible corporate action, then the Trustee shall not have the authority to rescind and recast such vote. Notwithstanding the provisions of this Article VI, until the Corporation has received notification that shares of Capital Stock have been transferred into a Trust, the Corporation shall be entitled to rely on its stock transfer and other stockholder records for purposes of preparing lists of stockholders entitled to vote at meetings,

determining the validity and authority of proxies and otherwise conducting votes and determining the other rights of stockholders.

Section 6.3.4. Sale of Shares by Trustee. Within 20 days of receiving notice from the Corporation that shares of Capital Stock have been transferred to the Trust, the Trustee of the Trust shall sell the shares held in the Trust to a person, designated by the Trustee, whose ownership of the shares will not violate the ownership limitations set forth in Section 6.2.1(a). Upon such sale, the interest of the Charitable Beneficiary in the shares sold shall terminate and the Trustee shall distribute the net proceeds of the sale to the Prohibited Owner and to the Charitable Beneficiary as provided in this Section 6.3.4. The Prohibited Owner shall receive the lesser of (1) the price paid by the Prohibited Owner for the shares or, if the Prohibited Owner did not give value for the shares in connection with the event causing the shares to be held in the Trust (e.g., in the case of a gift, devise or other such transaction), the Market Price of the shares on the day of the event causing the shares to be held in the Trust and (2) the price per share received by the Trustee (net of any commissions and other expenses of sale) from the sale or other disposition of the shares held in the Trust. The Trustee may reduce the amount payable to the Prohibited Owner by the amount of dividends and distributions which have been paid to the Prohibited Owner and are owed by the Prohibited Owner to the Trustee pursuant to Section 6.3.3 of this Article VI. Any net sales proceeds in excess of the amount payable to the Prohibited Owner shall be immediately paid to the Charitable Beneficiary. If, prior to the discovery by the Corporation that shares of Capital Stock have been transferred to the Trustee, such shares are sold by a Prohibited Owner, then (i) such shares shall be deemed to have been sold on behalf of the Trust and (ii) to the extent that the Prohibited Owner received an amount for such shares that exceeds the amount that such Prohibited Owner was entitled to receive pursuant to this Section 6.3.4, such excess shall be paid to the Trustee upon demand.

Section 6.3.5. Purchase Right in Stock Transferred to the Trustee. Shares of Capital Stock transferred to the Trustee shall be deemed to have been offered for sale to the Corporation, or its designee, at a price per share equal to the lesser of (i) the price per share in the transaction that resulted in such transfer to the Trust (or, in the case of a devise or gift, the Market Price at the time of such devise or gift) and (ii) the Market Price on the date the Corporation, or its designee, accepts such offer. The Corporation may reduce the amount payable to the Prohibited Owner by the amount of dividends and distributions which has been paid to the Prohibited Owner and is owed by the Prohibited Owner to the Trustee pursuant to Section 6.3.3 of this Article VI. The Corporation may pay the amount of such reduction to the Trustee for the benefit of the Charitable Beneficiary. The Corporation shall have the right to accept such offer until the Trustee has sold the shares held in the Trust pursuant to Section 6.3.4. Upon such a sale to the Corporation, the interest of the Charitable Beneficiary in the shares sold shall terminate and the Trustee shall distribute the net proceeds of the sale to the Prohibited Owner.

Section 6.3.6. Designation of Charitable Beneficiaries. By written notice to the Trustee, the Corporation shall designate one or more nonprofit organizations to be the Charitable Beneficiary or Charitable Beneficiaries of the interest in the Trust such that (i) the shares of Capital Stock held in the Trust would not violate the restrictions set forth in Section 6.2.1(a) in the hands of such Charitable Beneficiary or Charitable Beneficiaries and (ii) each such organization must be described in Section 501(c)(3) of the Code and contributions to each such organization must be eligible for deduction under each of Sections 170(b)(1)(A), 2055 and 2522 of the Code. Neither the failure of the Corporation to make such designation nor the failure of the Corporation to appoint

the Trustee before the automatic transfer provided in Section 6.2.1(b) shall make such transfer ineffective, provided that the Corporation thereafter makes such designation and appointment.

Section 6.4. Nasdaq Transactions. Nothing in this Article VI shall preclude the settlement of any transaction entered into through the facilities of Nasdaq or any other national securities exchange or automated inter-dealer quotation system. The fact that the settlement of any transaction occurs shall not negate the effect of any other provision of this Article VI and any transferee in such a transaction shall be subject to all of the provisions and limitations set forth in this Article VI.

Section 6.5. Enforcement. The Corporation is authorized specifically to seek equitable relief, including injunctive relief, to enforce the provisions of this Article VI.

Section 6.6. Non-Waiver. No delay or failure on the part of the Corporation or the Board of Directors in exercising any right hereunder shall operate as a waiver of any right of the Corporation or the Board of Directors, as the case may be, except to the extent specifically waived in writing.

ARTICLE VII

All rights and powers conferred by the Charter on stockholders, directors and officers are granted subject to this reservation.
